*Summary of Terms and Conditions:

1. Eligible Models to trade-in: Any diagnostic tool originally purchased from an Autel UK authorised dealer for £1,000 or more - Grey imported, copied, and cloned tools excluded.
2. Eligible Autel tools: The promotion only applies to MS909 S2, MS919 S2 or MS UltraS2.
3. Autel tool which is being traded in must be older than 3 yrs and be an MS908, MS908Pro, MS Elite, MS909, MS9919 or MS Ultra (registration date earlier than 23.12.2022) Competitor tools can be any age.

Trade-In Qualifying Procedure:

1. End User must have purchased a new Autel diagnostic tool with an EU support tag from an Autel UK authorised dealer. This promotion is ONLY for UK and Ireland. Grey imports do not qualify!
2. End User must register their new Autel UK tool on the www.autel.com platform within 14 days of purchase. The registration period must be between 02 January 2026 and 31 March 2026
3. End User must complete the Trade-In form, and return the form and trade-in tool to Autel UK's offices at their cost
4. If the Trade-In form isn't included with the Trade-In Tool, we cannot apply the promotion!
5. End User MUST return the Trade-In Tool and Trade-In form within 14 days of purchase to qualify. Tools and forms received after 14 days will not qualify.

Order from your local GSF Car Parts branch!
